* Total retention amount withheld from contractor. At the end of the project and after all retention has been released, this amount should be zero.

** Show "liquidated damages" amount on final invoice.

*** Total must be rounded down to the lowest cent. Federal rules do not allow rounding up.

****
- Indirect cost for this project equals the direct cost base expense (i.e., direct salaries & wages plus fringe benefits) for this project multiplied by the approved indirect cost rate.
- Indirect cost reimbursement will not apply to direct costs, i.e., payment of construction contracts and right of way purchases, not included in the direct cost base.
- An indirect rate must be approved by Caltrans every fiscal year to be used for only those costs incurred for that year.
